## SIGN UP

[www.medtech-innovation.dk/medico-bazar](http://www.medtech-innovation.dk/medico-bazar)

Medico Bazar is your opportunity to connect and create new relationships with future customers, development partners or perhaps a new investor. Get inspiration and share your knowledge in the exhibition and expand your medtech network with structured matchmaking.

### Exhibition

The exhibition displays the newest devices, projects and prototypes within medical technology at different stages of development. It also provides information about entrepreneurship opportunities, project development and financing.

In 2017 more than 100 exhibitors and nearly 600 visitors representing private and public key stakeholders, e.g. clinicians, established companies, investors, researchers and startups, showcased and participated in Medico Bazar. We invite you to apply for a stand and exhibit your innovative projects and prototypes or sign up as visitor and explore the medtech innovations of tomorrow. Participation is free of charge!

### Matchmaking

MedTech Innovation will host a matchmaking event at Medico Bazar 2018. Book one-on-one meetings and get new contacts! Sign up for matchmaking separately.

We encourage you to share and forward the invitation in your network!
