Symposium 22 MAY 2018
Embedding Innovation in Health Care – Opportunities and Challenges

Venue: Panum, Blegdamsvej 3 B, Copenhagen, Mærsk Tower, Nielsine Nielsen Auditorium

Preliminary Program

Tuesday 22 May 2018 Introductions: Prof. Steffen Loft, Head of Dept. of Public Health, SUND, University of Copenhagen	
9:00-9:20	Welcome by Prof. Henrik C. Wegener, Rector of University of Copenhagen (UCPH) and Prof. Ulla Wewer, Dean of Faculty of Health and Medical Sciences, UCPH
9:20-9:30	Acknowledgement and Deakin's commitment to Health Innovation by Prof. Jane den Hollander, Vice Chancellor, Deakin University
9:30-9:40	Danish-Australian relations and Australia's profile in Health by Australian Ambassador to Denmark, Norway and Iceland, Amb. MaryEllen Miller
9:40-10:00	Plenary: Ms Nanna Skovgaard, Head of Division at Ministry of Health. Title: "A Coherent and Trustworthy Health Network for All" – the Danish Digital Health Strategy 2018-2022"
10:00-10:10	Q&A session
10:10-10:35	Coffee/Tea break
10:35-11:20	**Digital Technologies, Health Innovation and Entrepreneurship** **Introductions: Prof. Lene Juhl Rasmussen, Director of Center for Healthy Aging, SUND, UCPH**
	Speaker 1: Prof. Jakob Bardram, Director of Copenhagen Centre for Health Technology (CACHET) – Denmark's Technical University and University of Copenhagen Title: "Research-based innovation addressing societal challenges and industrial growth"
	Speaker 2: Ms Trine Winterø, Associate Dean for Innovation and Community Relations, Faculty of Health and Medical Sciences, UCPH Title: "The innovation ecosystem in Greater Copenhagen: How does University of Copenhagen benefit from it?"
	Speaker 3: Prof. Henning Langberg, Director of Copenhagen Healthtech Cluster, UCPH Title: "AI will change healthcare - let's make Greater Copenhagen the epicentre"

	Discussion - facilitated by Prof. Lene Juhl Rasmussen, UCPH
11:20-11:55	**Digital Technology and Mental Health** **Introductions: Prof David Austin, Deakin University**
	Speaker 1: Prof. Michael Berk, Professor of Psychiatry, Deakin University Title: "Psychosocial interventions for people with bipolar disorder" Speaker 2: Prof. Lars Vedel Kessing, Professor of Psychiatry, UCPH Title: "Smartphones for bipolar disorder – what do we know from scientific data?"
	Speaker 3: Prof. Cathy Mihalopoulos: Title: "Health Economics and Emental Health"
	Discussion - facilitated by Prof. David Austin, Deakin University
11:55-13:00	**Digital Technology and Chronic Disease** **Introductions: Prof. Bodil Rasmussen, Deakin University**
	Speaker 1: Prof. Lars Kayser, Head of Studies in Health Informatics, Section for Health Services Research, Department of Public Health, UCPH Title: "How can we understand users readiness and how they are enabled when using health technology" Speaker 2: Prof. Lene Juhl Rasmussen, Director of the Centre for Healthy Aging, UCPH Title: "Approaches to understand the healthy aging" Speaker 3: Prof. Trish Livingston, Associate Dean Research, Faculty of Health, Deakin University Title: "Efficacy of a smartphone application to reduce distress and unmet needs in people with cancer: a randomized controlled trial" Speaker 4: Prof. Anne Frolich, Chief Physician, A/Professor in multimorbidity, innovation, and informatics; UCPH Title: "Multimorbidity and welfare technologies" Speaker 5: Prof. Henriette Langstrup, Professor at Section for Health Services Research, Department of Public Health, UCPH Title: "Technologies of participation? Studying new infrastructures of care"
	Discussion - faciliated by Prof. Bodil Rasmussen, Deakin University
13:00-14:00	Lunch

14:00-14:55	**Digital Tech and Women's Health** **Introductions: Prof. Henriette Langstrup, SUND**
	Speaker 1: Prof. Vibeke Zoffman, Section for Health Services Research at UCPH Title: "Gynecologic cancer in the Capital Region of Denmark – a model for maturing and testing the feasibility and evidence of a digitally assisted Guided Self-Determination" Speaker 2: Prof. Bodil Rasmussen, Chair in Nursing (Western Health), Deakin University Title: ''An online Guided Self-determination intervention for young adults with diabetes in Australian context'' Speaker 3: Prof. Bente Stallknecht, Director of the Biomedical Institute at UCPH Title: "Health technology to motivate and monitor physical activity in pregnant women: FitMum"? Speaker 4: Prof. Sarah Villadsen, assist. Professor at Section of Social Medicine, Department of Public Health, UCPH Title: "Improved maternal and child health for migrants in Denmark – the MAMAACT intervention and app"
	Discussion
14:55-15:50	**Digital Innovations, Nutrition and Physical Activity** **Introductions: Prof. Søren Alexandersen, Deakin University**
	Speaker 1: Prof. David Crawford, Director of the Institute of Physical Activity and Nutrition, Deakin University Title: "An overview of Institute of Physical Activity & Nutrition from a health technology perspective" Speaker 2: Prof. Ralph Maddison, Institute of Physical Activity and Nutrition, Deakin University Title: "Chronic disease self-Management: a 21st century approach" Speaker 3: Prof. Marie Löf, Director of IMPACT Research Group at Karolinska Institute Title: "Smartphone applications to promote physical activity and prevent obesity in children and adults"
	Discussion - faciliated by Søren Alexandersen, Deakin University
15:50-16:35	**Clinical Impact – and implication in organisational practice and patients' everyday lives** **Introductions: Prof. Trish Livingston, Deakin University**
	Speaker 1: Prof. Vibeke Zoffman, Section for Health Services Research at UCPH Title: "Organizational implications of introducing a digitally assisted Guided Self-Determination in Danish health care"

	Speaker 2: Prof. Nete Schwennesen, Institute for Anthropology, Dept of Public Health at UCPH Title: "When the physiotherapist goes digital: An ethnographic study of implementation in practice" Speaker 3: Prof. Nilmini Wickramasinghe, Health Informatics Management, Deakin University Title: "Key success factors for designing technology solutions for high clinical impact"
	Discussion - facilitated by Prof. Trish Livingston, Deakin University
16:35	Closing Remarks by Prof. Brendan Crotty, Executive Dean of the Faculty of Health, Deakin University
	Networking Reception Drinks and Snacks
